FRAUD ALERT

It has come to the attention of the Education Service Commission that a group of fraudsters call teachers and promise them offers of jobs, and sometimes confusing teachers with fake promises to offer them jobs without interviews.

A case in reference is a copy of an email from **Mr. Osujje Charles** (confirmed by his mobile telephone number) who is complaining of "job fraud and illegal recruitment in the Education Service Commission (email attached). The information in this email from Mr. Osujje Charles clearly shows that fraudsters are taking advantage of information gaps among many teachers.

All teachers are informed and must be aware that nobody is appointed into Public Service without going through a series of interviews.

All employment documents are accessed free of charge and from gazetted Government offices and not from streets or home delivered.

Vision: "Quality Education Delivered by Efficient and Effective Education service Personnel"

Mission: "To provide An Efficient, Professional, Accountable, Transparent and Motivated Education service"

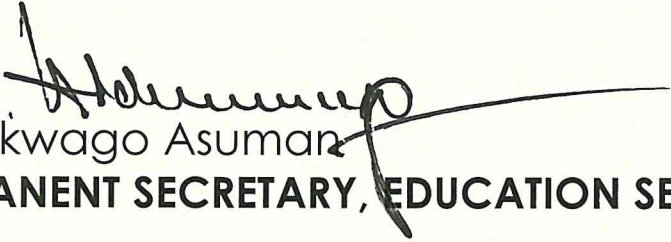

It is very unfortunate, but also irrational that qualified teachers would pay fraudsters without alerting any nearby Police Authority.

The Commission has verified the mobile phone numbers provided in the email; the first one is incomplete (**076185660**), and the second one is **0782079538** registered in the names of **Juliet Kyomukama**; who and others that contacted Mr. Osujje Charles **are not** staff of the Education Service Commission.

The Commission continues to warn all concerned teachers to avoid shortcuts, because they are not short.

All services provided by the Education Service Commission are **free of charge**, and follow all laid down Government processes.

YOU ARE ALL ALERTED ABOUT THIS FRAUD.

Dr. Lukwago Asuman
PERMANENT SECRETARY, EDUCATION SERVICE COMMISSION

PERSONS WHO CONTACTED ME.

I received the first calls from a lady called Akia Anna , Byaruhanga, Tonny, Nakato Florence, Brian,Joel Obore Christopher and others who couldn't introduce themselves in month of may, June, July , September , October, November and December. Then in September 18, 2025 I received again calls from Ojok Wilberforce, Ivan , Allan and recently they called me to come to kampala in July 16 2026 to pick appointment letter but they kept themselves hiding.

EVIDENCE ATTACHED.

They kept on calling me all using one telephone number which is +25676185660 and using one number for depositing money +256782079538 plus voice recordings of some of them .

I also received threats of intimidations that made be to be desperate for the job.

MY PRAYERS

I therefore request your offices to:

Investigate the persons and bring them to book .

Recover any lost money by me and other victims.

Sensitize the public to avoid such fraud.

WHAT I AM WILLING TO DO.

I willing to record a statement and avail any further information to aid the investigation.

I believe in a transparent and merit based recruitment process and I trust ESC will handle this matter urgently.

Yours faithfully,

Osujje Charles
